

PSA - TRANSFORMING SPARES DISTRIBUTION

EXPLORE

Welcome to PSA Parts

What makes us unique is our ability to create added value for our customers through a complete range of in-house services.

At PSA, we give you access to the widest range of batteries, power accessories, peripherals and spare parts. From chargers and adapters to replacement screens and memory upgrades, you'll find everything you need in stock.

We've been in business for over 30 years. In that time, we've built up a range of over 4,000 products and sold over 5 million devices under our 2-POWER brand.

Our distribution network covers over 80 countries allowing us to ship to resellers and retailers

worldwide – usually for delivery the next day.

Our value-added services including category advice, content management, e-commerce web apps and EDI integrations, enabling you to deliver an unrivalled range to your customers with minimal commitment for you. What's more, we help you add vital extra margin to your device sales through add-ons and upgrades.

James McBrien
Managing Director

Laptop Batteries & Chargers

BATTERIES

2-POWER manufactures one of the largest ranges of replacement laptop batteries, offering higher capacity and greater reliability than many other brands.

COMPATIBLE BRANDS INCLUDE

Acer / Apple / Asus / Compaq / Dell / Fujitsu / Gateway / HP / IBM / Lenovo / LG / Sony / Toshiba and many more

- Batteries designed in the UK for all leading laptop brands and models
- Legacy model support enabling you to supply spares, long after manufacturers stop supporting them
- 2-POWER's £2000 connect equipment guarantee; delivering peace of mind to your customer
- OEM batteries available for most models too

2-POWER®

AC ADAPTERS & CAR CHARGERS

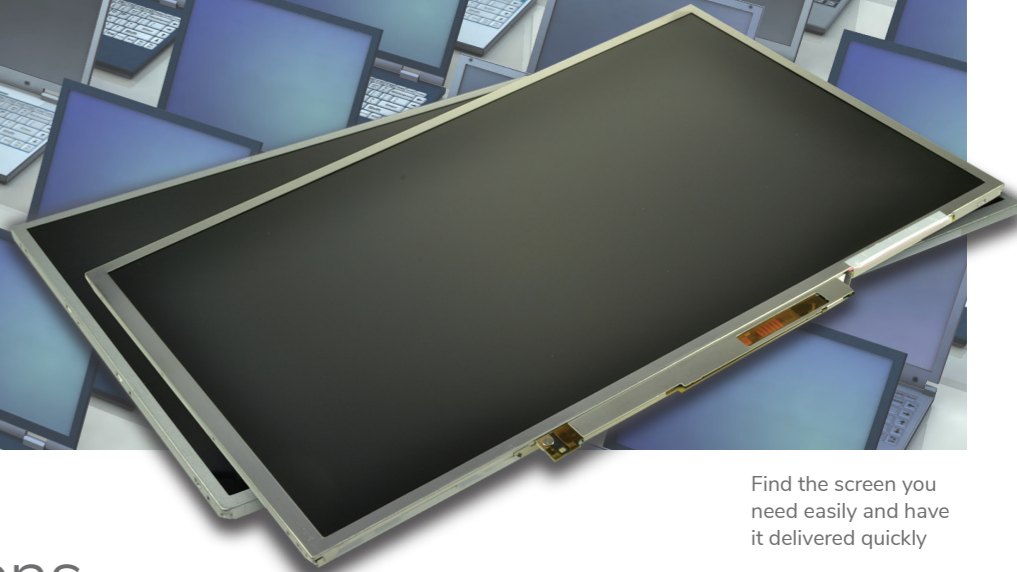

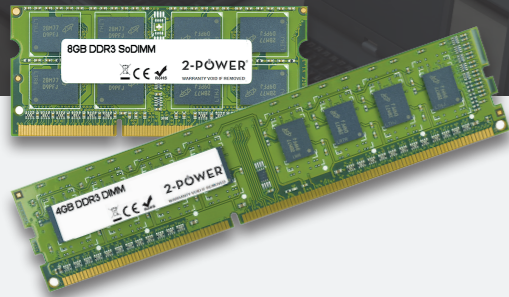

Our range of AC and DC chargers includes both original manufacturer and 2-POWER products, giving your customers the greatest possible choice and value for money. For even broader compatibility we also sell a range of universal laptop chargers to cater for thousands of models with a single charger.

- All products are supplied with a minimum of 1 year warranty
- All our AC chargers include the powercord
- SmartProtect autosensing universal chargers

5 MILLION DEVICES SOLD

Memory & SSD

Find the screen you need easily and have it delivered quickly

MEMORY

2-POWER manufacture a complete range of laptop, desktop and server memory. Whether you're looking for individual DDR1 modules for legacy systems, or large scale supply of the latest technology technology for manufacturing or refurbishing, we have the right solution for you.

Ask your account manager about our memory configurator, allowing your customers to find the right 2-POWER memory module for their system, without leaving your website.

SSD

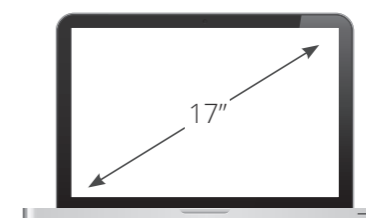

We stock the entire 2-POWER range of SSD drives in all formats and sizes. We also stock a range of adapters and housings to meet the demands of virtually all models and brands. Our drives are supported by a 3yr warranty.

Laptop Screens

EASY SEARCH
Find your screen easily on our website by simply searching the part number.
www.psaparts.com

MODELS AND SIZES
Sizes from 8.9" to 17" and compatible with an extensive range of models.

Laptop screen replacement becomes more complex every year. Leverage our 30 years' of experience to ensure you get the right models, Grade-A quality, and expert knowledge on fitting if required.

All screens are supplied with at least a one-year warranty

Docking Stations & Adapters

Slimmer laptop design, WFH and versatile workspaces have all created growing demand for docking stations and port expanders. 2-POWER's hugely popular range of docking stations provide the perfect solution for flexible workspaces and the latest in connectivity.

Our USB 3.0, USB-C and Thunderbolt options support all the latest devices and our wide range of adapters and dongles can keep users connected whilst on the move.

Find out how 2-POWER docking stations can increase your margin on accessories by up to 40%.

2-POWER[®]

Cables

2-POWER has an extensive selection of premium cables designed for use with docking stations, monitors and hubs. The range includes options such as mini/micro HDMI, mini-DisplayPort, as well as all the most popular formats for maximum connectivity.

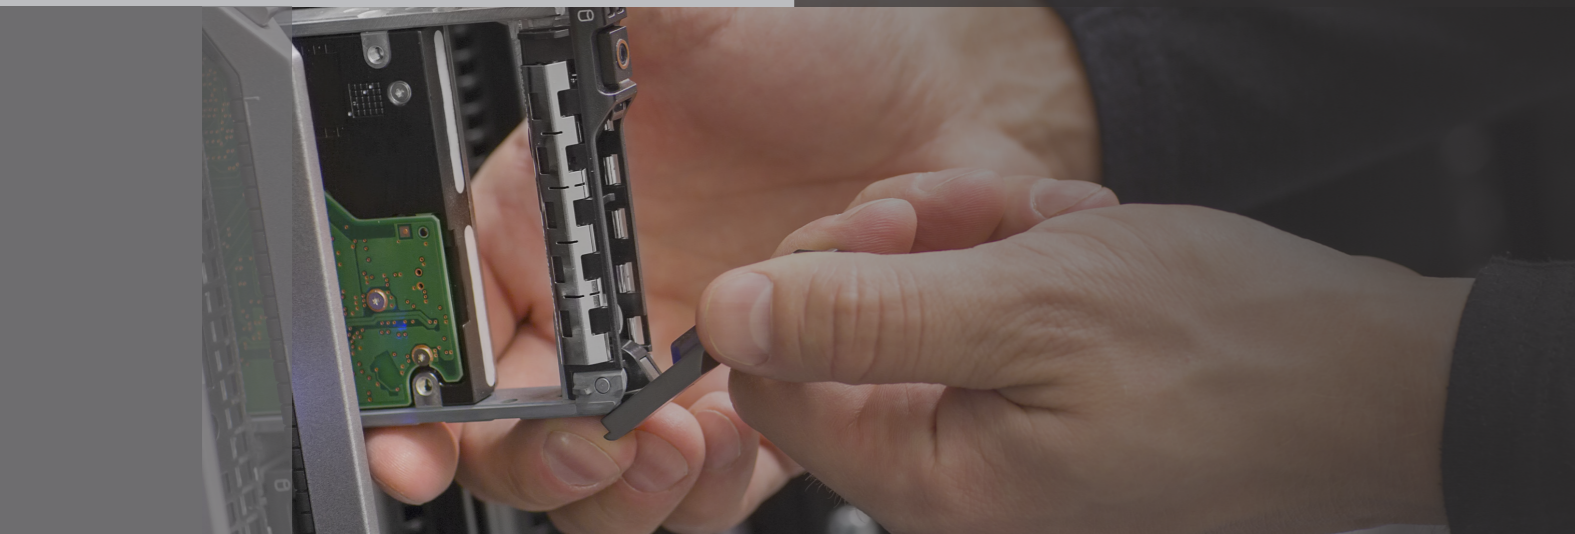

OEM Docking Stations

PSA also stock a full range of OEM docking stations from Dell, HP, Lenovo, Toshiba and other major brands.

Contact your account manager today to discuss latest pricing.

Spares & Upgrades

ONE STOP SHOP FOR SPARES

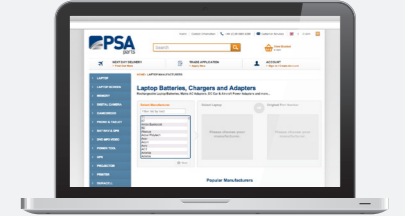

We stock a wide range of genuine and replacement spares for laptops, desktops and servers from all major brands such as Acer, Dell, HP, Lenovo and Toshiba. PSA is also a specialist supplier of printer spares.

EXTENSIVE STOCK HOLDING
We hold over 4000 product lines in stock and no minimum order value.

FAST DELIVERY
We partner with DHL and have their team on site helping to deliver fast and efficient delivery throughout Europe.

EASY SEARCH
Use our product guide to quickly find the right kit or part.
www.psaparts.co.uk

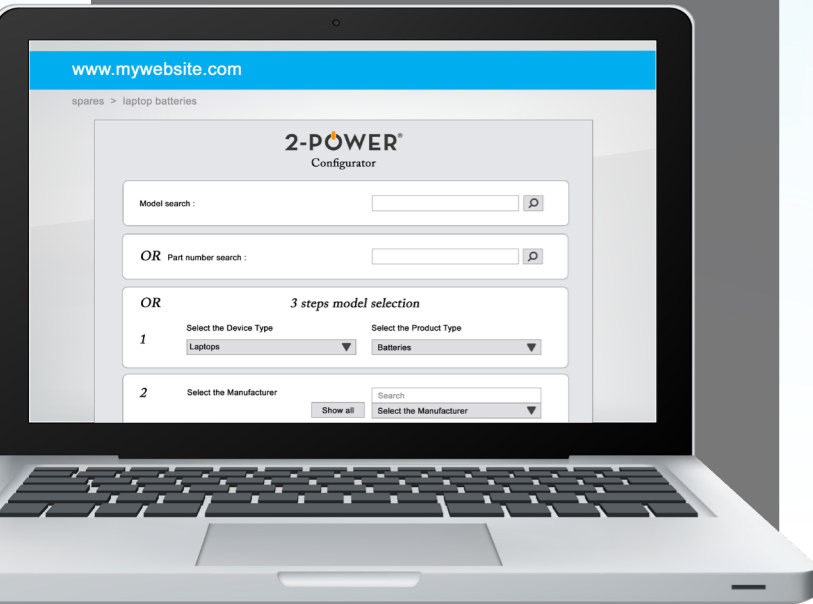

- SERVERS** OEM parts including memory kits, hot-swap drives, redundant PSUs and more
- UPS** Original or replacement battery kits
- PRINTERS** Maintenance kits, rollers, fusers, drums and consumables
- LAPTOPS** Keyboards, plastics, motherboards

Get Connected

At PSA, we understand data. We offer automated processes for every step of the sales cycle from search to ship.

Our in-house integration team has considerable experience working with both industry standard enterprise solutions and bespoke developments.

PRODUCT

Our product range and options list are vast and expanding daily. We know this can be difficult for customers to manage, so we offer comprehensive product data feeds to integrate into your own systems.

These can be published to your website or used internally to aid your sales team.

Product feeds include part numbers, description, images, pricing and stock levels. Choose from csv, xml or xls formats and decide how you'd like to receive or collect the data

AUTOMATION
FROM SEARCH TO SHIP

PRODUCT FINDER

Adding our product finder to your website allows your customers to find spares and parts in moments. They can then add their items into your shopping cart and checkout.

EDI ORDERING

Processing large volumes of orders? We know how you feel. Fortunately, our EDI solutions take away the pain and allow you to feed us orders automatically, saving time, reducing costs, and eliminating errors.

DROP SHIP

We offer a drop ship service allowing orders to be sent directly from our warehouses, straight to your customers under your branding. This gives you the ability to offer our entire product range from day one.

IT'S ALL ABOUT
THE DATA

Repair & Upgrade Service

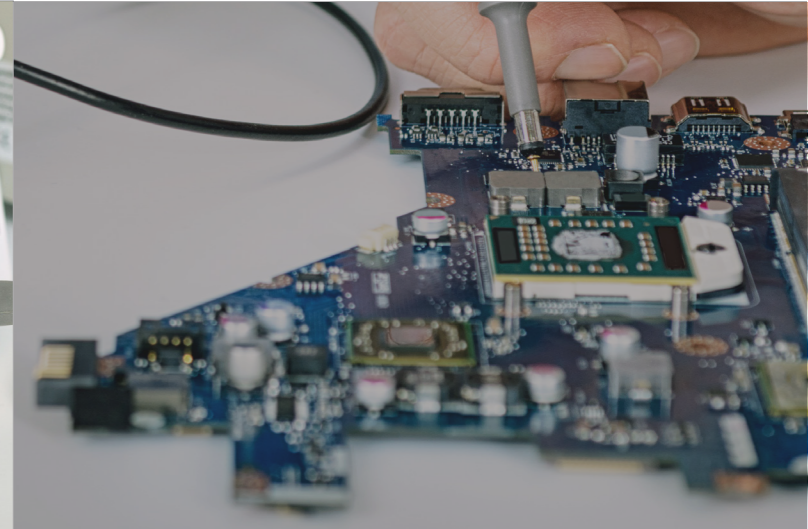

For customers who don't have their own support engineers, we offer a white-label upgrade and repair service which acts as an extension of your business. Speak to your account manager to find out more about what we can do to help your business.

Product Testing

Your reputation is your brand. At PSA, we understand that poor quality or incorrect products cost you time, money, and ultimately customers.

Our in-house engineers batch test products, regardless of type or brand. This means our products maintain consistently high standards of quality.

SERVICES AVAILABLE INCLUDE:

- Laptop or tablet screen replacement
- Internal battery replacement
- SSD and memory upgrades
- DC socket repair
- Keyboard replacement

Our collect and return shipping service is available from you or directly from your customer and is fully insured.

We back up our impressive product range with equally efficient distribution channels and rapid delivery. With offices across the world, from the UK and the Netherlands to Australia and the US, we ship worldwide. What's more, our multi-lingual customer service and sales staff make us easy to deal with, wherever you are in the world.

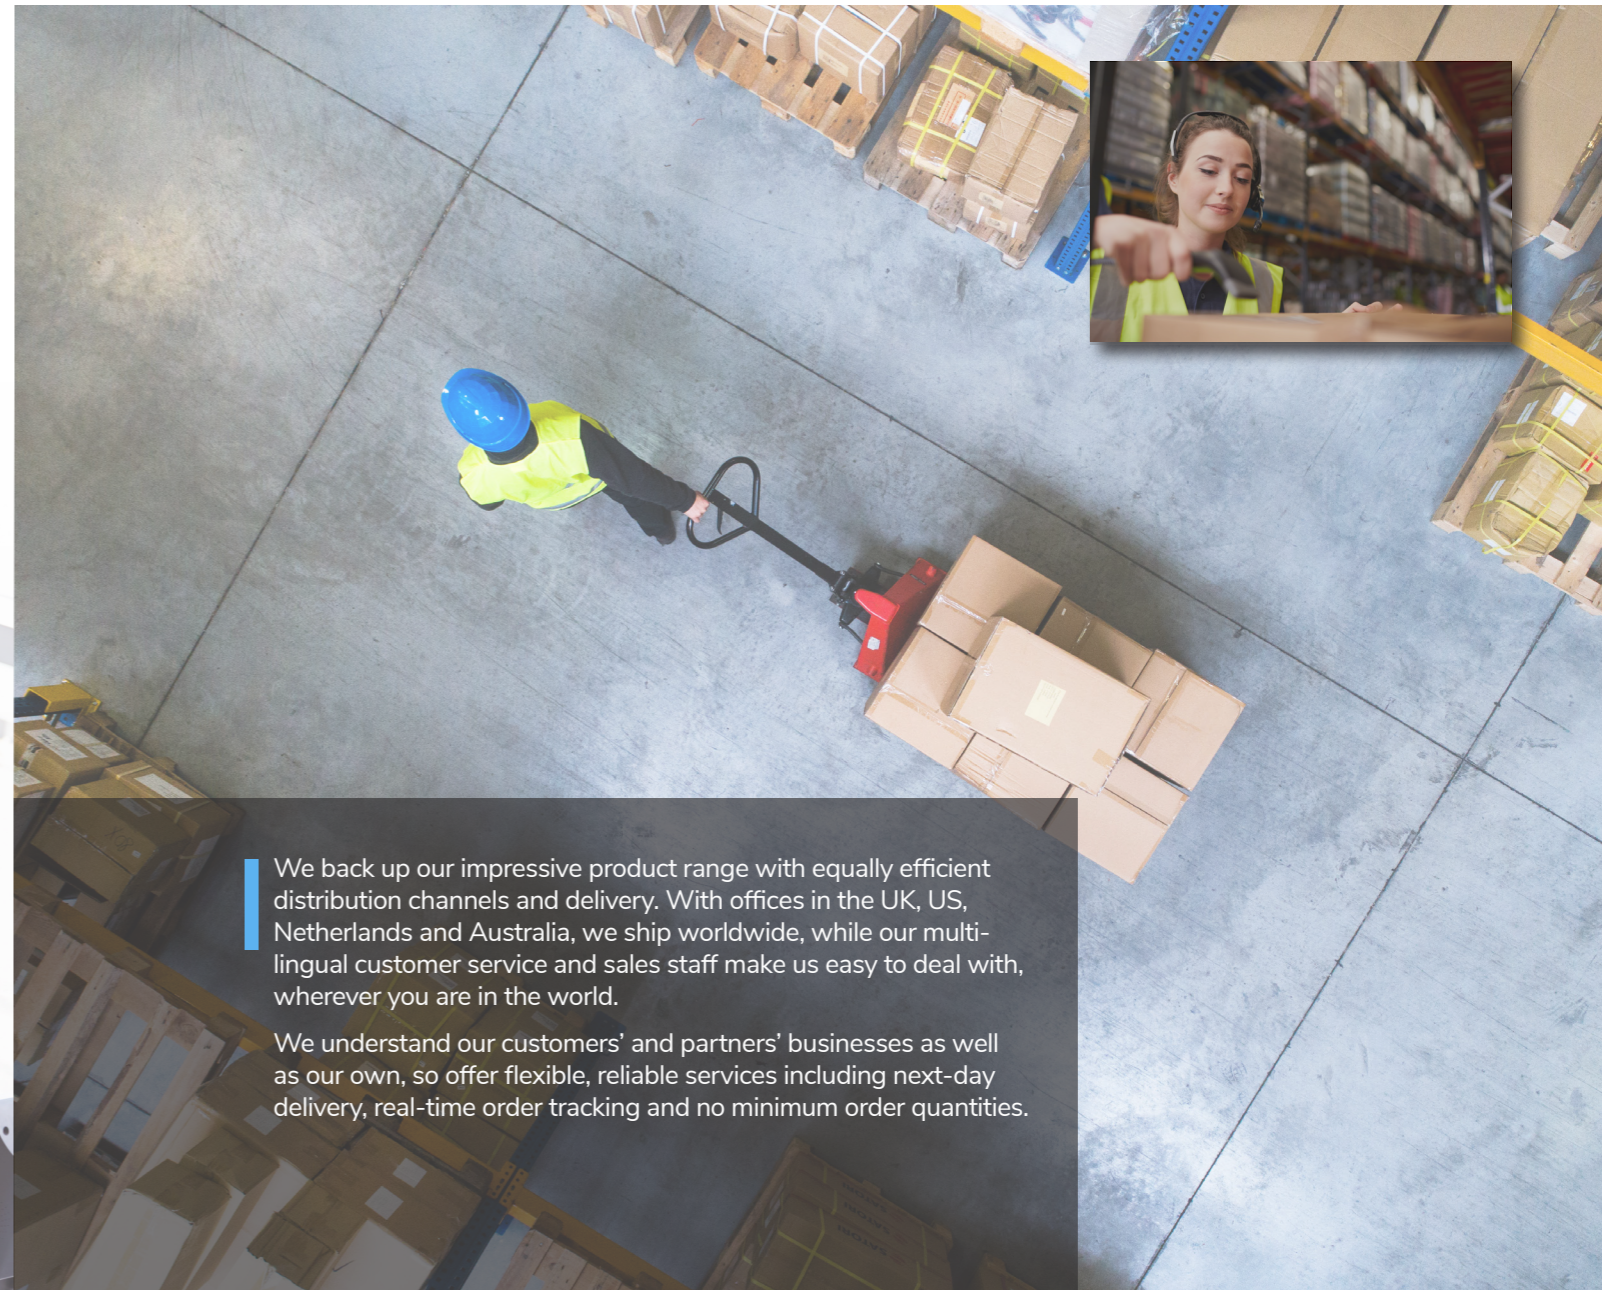

At PSA, we understand your business needs, as well as our own. That's why we offer flexible and reliable services.

"Our people are what makes us"

PSA has always been committed to outstanding service. In addition to our large and ever-expanding product range, we have an incredible amount of specialist knowledge and experience within our business.

You'll see it in our dedicated account managers, and benefit from our specialist team with decades of experience, who all work tirelessly to deliver the highest levels of customer service.

We back up our impressive product range with equally efficient distribution channels and delivery. With offices in the UK, US, Netherlands and Australia, we ship worldwide, while our multi-lingual customer service and sales staff make us easy to deal with, wherever you are in the world.

We understand our customers' and partners' businesses as well as our own, so offer flexible, reliable services including next-day delivery, real-time order tracking and no minimum order quantities.
